A Venerable Lady Bead.

Mrs. Catherine Pizzini, reliet of Antonio Pizzini, a former well-known Richmond merchant, passed quietly away last night at her residence, on Tenth street, in this city, at the ripe age of seventy-six years. Her husband was a native of Corsica, and was the first of the three Pizzini brothers, comprising himself, Andrew, and Juan, to settle in Richmond, nearly fifty years ago.

Mrs. Pizzini was a native of Phitadelphia, and was of French parentage. Through-

Mrs. Pizzini was a native of Philadelphia, and was of French parentage. Throughout her lengthened life's journey she ever illustrated the characteristics of the good wife and mother. She was zealously devoted to the faith of her fathers, which was Catholic, but was never a bigot in any sense of that term. She was the same self-reliant, trusting Christian under the smiles of fortune as under the frowns of adversa fate. A few weeks since a severe attack of paralysis gave the first intimation of the insidious approach of the dread destroyer. From it she never railied, but as stated passed quietly away last night, having a few days since received the last consolations of the faith in which she trusted. Peace to her ashes.

The surviving sons of deceased are tleasts. John A., Antonio N., and Joseph Pizzini. The obsequies will occur as announced elsewhere.

The Northern-Neck News, referring to a speech made by Mr. James N. Dunlop, of this city, in Northumberland country, pays him the following deserved compliment: "Any attempt on our part to give even a synopsis of this most magnificent speech would do injustice to the speaker. We do not hesitate to say that it was one of the most cloquent, forcible, and statesmanlike speeches it has ever been our good fortune to hear, and the visit of Mr. Dunlop will leng be remembered by the people of Northumberland."

In the Circuit Court yesterday Mr. Ernest Kahl was admitted as a citizen of the United States.

Lieutenant Parker was in the Confederate artillery service during the war, and lost an arm. He has been absent from Richmond for eleven years.

The alarm of fire turned in last night at 7:30 o'clock was caused by the overturning of a lamp in a house at the northern extremity of Ninth street. No damage.

Mayor Carrington, with the leave of the committee, asked for a postponement, owing to the absence of witnesses, and justice, under the circumstances, both to himself and Colonel Cutshaw. The latter gentleman, speaking for himself, said he was willing to make his statement, and such witnesses as he might name could be summoned afterwards.

Te committee adjourned to meet Thursday the 30th instant at 8 o'clock P. M.

The Lumatte Asylums.

The special committee appointed by the Legislature to look into the management of the various lunatic asylums in the State met yesterday morning in the Senate chamber. Present: Colonel Thomas J. Evans, A. G. Banks, and Dr. Thomas Stribling, of the House of Delegates, and Taylor Berry, of the Senate. Mr. Barham, the other member from the Senate, is reported ill.

The work done by this committee has been exceedingly arduous, and is very voluminous. The report will be presented at the meeting of the Legislature to-day, and will contain many suggestions looking to improvements and innovations in the conduct of the asylums in the future.

This is the Committee.

The trench at Second and Broad streets, in which a horse-car mule fell, was dur by the Water Committee, not the Committee on Light. No accident has ever befallen the work of the Committee on Light in their effort to give greater light. Their deeds are not evil, and they are in favor of more light, to the extent even of working on Sunday, as was the case last Sabbath.
